Town Meeting will be held on the last Saturday of March as usual. This would be at 9:00 a.m. on March 29, 2008 at the Reed School House on U.S.Route One. We will post the warrant when it becomes available. (Usually about a week before the meeting) Until then please check out the town meeting guide link. You will find this very helpful to understand the town meeting form of government and just what can and cannot take place at a town meeting.
